We are pleased to announce the 4th annual **Degenerate Craft Fair!**

Created for artists, by artists, The Degenerate Craft Fair is not your average craft fair. The DCF transcends the line between art vs. craft and has created a place where not only can you get a wonderful knit scarf but a fine art painting as well. This year's fair will feature over 50 artists selling their work for generally under \$50. So stop by this year's Degenerate Craft Fair to find the perfect handmade gifts for everyone on your shopping list!
